*gourmet dinner & dessert*  
— 8:00-11:00pm —

Participate as one of 12 dinner homes  
throughout Haddonfield.

We will pair you with a fantastic local chef so there will be no cooking, serving or clean up involved on your part. The chef is responsible for soup or salad, dinner entrée and dessert. Oaks pays the chef \$30.00 a person and any additional cost is considered a donation on behalf of the chef or restaurant.

Each dinner home will have anywhere from 10-25 guests depending on your preference. You will have the opportunity to invite friends and approve the final guest list for your home. The ticket cost for the dinner is \$150 per guest.

Your responsibilities include communicating with the chef to develop a menu, meeting with the chef in your home before the dinner, providing dinnerware/utensils, setting your table and providing beverages.

Proceeds benefit the Oaks Integrated Care Food Pantries in Camden and Burlington Counties which serve over 800 families a month in your community!
