- Proof of income must be presented prior to services being rendered to receive any adjustment in the required rate. Payment must be made **prior** to services being rendered. In the event, that the full payment cannot be made at that time, the individual will be **required** to make payment arrangements.
- Individuals who meet or fall below the Federal Poverty Level will be required to complete the Presumptive Eligibility application for temporary Medicaid enrollment.
- Client information will be entered into the NJSAMS DASIE module. If the client has Medicaid, Medicaid will be billed. If the client appears eligible for Medicaid, but is not currently enrolled, case management will be provided to submit PE for Medicaid. If clients are not eligible for Medicaid, SUD FFS may be utilized if program criteria is met.
- Those without private insurance, not eligible for Medicaid, or eligible for FFS will be considered for the sliding fee scale.
